

## How to print tuition bill from website

2021.8.10

To improve the identity verification mechanism and to protect privacy of users, the website of CTBC Bank for making tuition and fees payment will be request users to enter an identity verification code while logging.

An identity verification code will be the last five digits of the serial number of ID cards. For foreign students, it will be the last five digits of the ARC number or passport number.

The security mechanism has been carrying out from 2020 fall semester. We are sincerely sorry for any inconvenience that might be caused. Thank you for understanding.

### Notice of Tuition Fees Payment of 2021 Fall Semester
